FERPA Training - Essential for Compliance

Short effective courses by a leading FERPA expert

FERPA Basics *15 min, for the Higher Ed Community*
Explains the key points about FERPA for administrators, faculty, staff, and students. The course explains FERPA simply and succinctly. It is highly engaging and practical. Interactive with quiz questions.
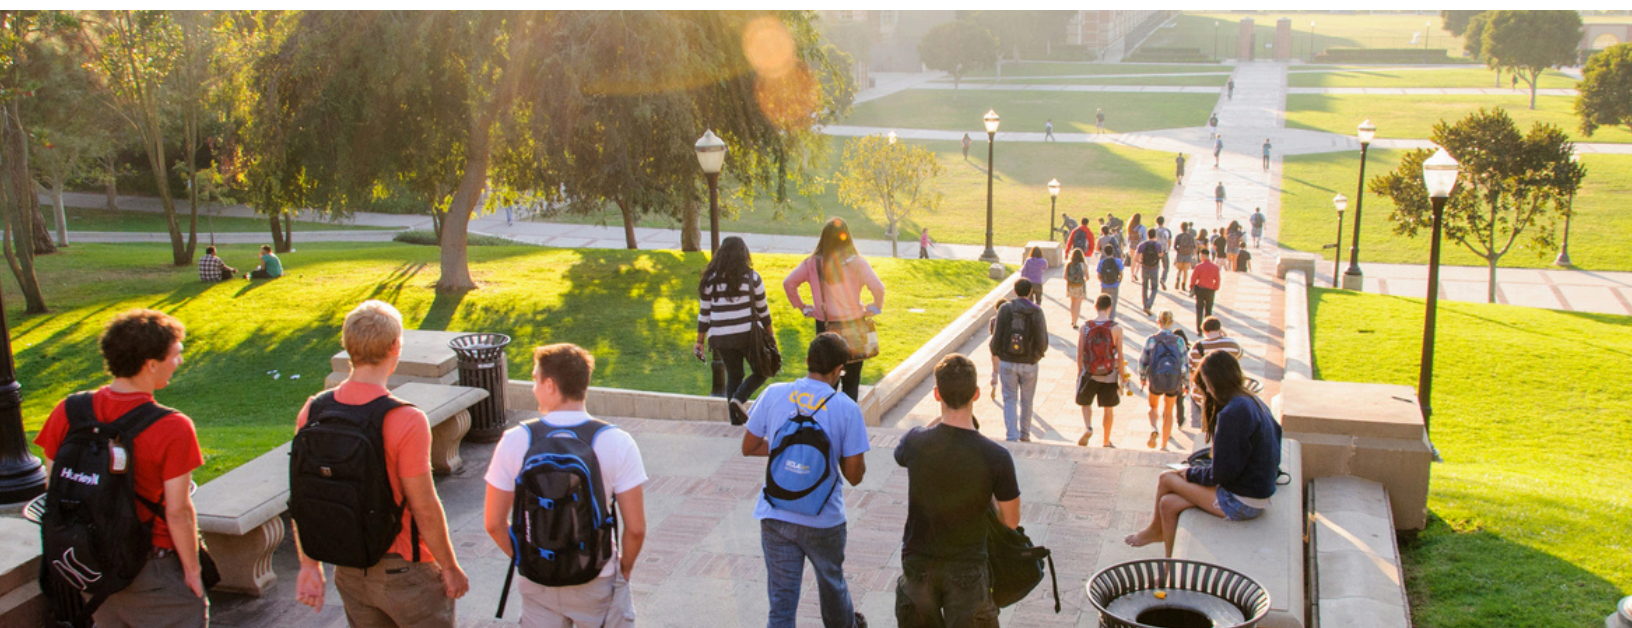

FERPA Overview *30 min, for Registrars and Officials Dealing Extensively with FERPA*
Co-authored with LeRoy Rooker of AACRAO and formerly the Department of Education, this course provides an introduction to FERPA with details about how the law works. A great way to teach new and existing registrar staff about FERPA as well as other officials who need to understand the law in depth.

FERPA Interactive Whiteboard *6 min, also available as a handout or poster*
A highly-interactive computer-based module that succinctly summarizes FERPA. This module is an ideal tool for quick and effective FERPA training.

"You can't comply with FERPA if you don't understand it." - Professor Solove
